

A Message from TCAT Morrystown President Susanne Cox

As we reflect on another exciting season at TCAT Morrystown, we are proud to celebrate the accomplishments of our students, graduates, faculty, and staff. This summer has been filled with examples of the talent, dedication, and determination that make our college such a special place. From students earning national recognition at the Skills USA National Leadership and Skills Conference to hands-on career exploration through our Nursing Summer Boot Camp, our students continue to demonstrate the value of technical education.

We are also proud to see our students giving back to their communities, earning scholarships and grants, and transitioning into successful careers in their chosen fields. These accomplishments reflect the hard work of our students and the commitment of our faculty and staff to preparing individuals for meaningful careers and a stronger workforce. We invite you to celebrate these successes with us and see how TCAT Morrystown continues to make a difference in the lives of our students and throughout the communities we serve.

TCAT Morristown Students Earn National SkillsUSA Honors

TCAT Morristown students showcased their exceptional skills at the 2026 SkillsUSA National Leadership and Skills Conference in Atlanta, competing among the nation's top career and technical education students and earning outstanding results.

National Gold Medalists

- **Noah Lindsey** – Sheet Metal, Aviation Maintenance Technology
- **William Loftis** – Internetworking, Computer Information Technology

National Silver Medalists

- **Craig Cook, Joshua Murphy, and Samuel Nichols** –
Engineering Design Team, Computer Aided Design Technology

These accomplishments reflect the dedication, talent, and hard work of our students, along with the commitment of our faculty to preparing students for success in their chosen careers. TCAT Morristown is incredibly proud of these students for representing our college on the national stage and demonstrating excellence in their fields. Congratulations to all of our national medalists!

Hands-On Career Exploration at Nursing Summer Boot Camp

TCAT Morristown hosted a Nursing Summer Boot Camp in June for local high school juniors and seniors interested in pursuing careers in nursing.

Participants engaged in a variety of hands-on activities designed to provide an inside look at the nursing profession. Activities included a healthcare scavenger hunt, catheter placement practice, and phlebotomy activities, including IV insertion using a training device.

Following lunch, participants received informational materials and giveaways and left with a greater understanding of the nursing profession and the opportunities available through a career in healthcare.

Student Earns \$2,500 Collision Repair Education Foundation Grant

Cornelio Campos, a Collision Repair Technology student at TCAT Morristown, has demonstrated tremendous commitment and perseverance while balancing full-time technical training with a part-time job.

His dedication and strong work ethic have earned him a \$2,500 tuition reimbursement grant from the Collision Repair Education Foundation.

Cornelio consistently demonstrates the qualities that set outstanding students apart. As he prepares to graduate this term, he is looking forward to beginning his career in the collision repair industry. "Hard work and dedication pay off, and Cornelio proves it every day." ~ Randall Dunn, Instructor

Congratulations, Cornelio, on this well-deserved accomplishment!

Cosmetology Students Give Back to the Community

Students in the Cosmetology program at TCAT Morristown's Greene County campus recently put their skills into action through a meaningful partnership with the Hope Center. In celebration of Mother's Day, students provided local mothers with a special day of pampering that included hairstyling, makeup applications, and manicures.

We are incredibly proud of our students for using the skills they have developed in the classroom to make a positive difference in the lives of others. Their compassion, professionalism, and commitment to serving their community are a wonderful reflection of the values of TCAT Morristown.

TCAT Graduates Launch Careers in Their Fields

Elizabeth Hodges **Computer Aided Design Technology**

Elizabeth Hodges graduated from the Computer Aided Design Technology program and is now employed as a 3D Programmer with Howmet Aerospace in Morristown.
Congratulations, Elizabeth!

The staff and faculty at TCAT Morristown are proud to see graduates apply the knowledge and technical skills they gained through their training as they launch successful careers in their chosen fields.

Peyton Raines **Heating, Ventilation, Air Conditioning & Refrigeration**

Peyton Raines graduated from the Heating, Ventilation, Air Conditioning and Refrigeration program and is now employed as an HVAC-R Technician with Bailey Heating & Air • Electrical in Greeneville.
Congratulations, Peyton!

TCAT Morristown Celebrates Student Appreciation Day

TCAT Morristown students enjoyed a sweet celebration during Student Appreciation Day this summer!

A special thank-you to Creamy Cup for helping us make the day extra special by providing delicious ice cream and exceptional service to our students.

We appreciate your support of TCAT Morristown and our students!
