

## Greene County Instructional Service Center Campus

**2025 - 2026**

### Industrial Electricity

| First Term  |               |                  |                   | 432 Hours           |
|---|---------------|------------------|-------------------|---------------------|
| Tuition   |               |                  | \$1,404.00        | Due at Registration |
| Student Activity Fee                                  |               |                  | \$10.00           | Due at Registration |
| Technology Fee  |               |                  | \$73.00           | Due at Registration |
| Basic Electrical Theory                               | 9781950431687 | Mike Holt        | \$70.00           | Approximate         |
| Ugly's Electrical Reference 2023                      | 9781284275919 | Jones & Bartlett | \$30.00           | Approximate         |
| NEC Handbook 2017                                     | 9781455912841 | NFPA             | \$380.00          | Approximate         |
| NEC Handbook Tabs 2017                                | 9780990395331 |                  | \$35.00           | Approximate         |
| Tool Kit & Multimeter                                 |               | MSC              | \$1,200.00        | Approximate         |
| TI-30Xa Calculator                                    |               |                  | \$15.00           | Approximate         |
| Safety Glasses  |               |                  | \$5.00            | Approximate         |
| <b>Total</b>  |               |                  | <b>\$3,222.00</b> |                     |
| Second Term   |               |                  |                   | 432 Hours           |
| Tuition   |               |                  | \$1,404.00        | Due at Registration |
| Student Activity Fee                                  |               |                  | \$10.00           | Due at Registration |
| Technology Fee  |               |                  | \$73.00           | Due at Registration |
| Benfield Conduit Bending                              | 9780872885103 | EC&M             | \$30.00           | Approximate         |
| <b>Total</b>  |               |                  | <b>\$1,517.00</b> |                     |
| Third Term  |               |                  |                   | 432 Hours           |
| Tuition   |               |                  | \$1,404.00        | Due at Registration |
| Student Activity Fee                                  |               |                  | \$10.00           | Due at Registration |
| Technology Fee  |               |                  | \$73.00           | Due at Registration |
| Understanding Basic Motor Controls                    | 9780986353406 | Mike Holt        | \$60.00           | Approximate         |
| <b>Total</b>  |               |                  | <b>\$1,547.00</b> |                     |
| Fourth Term   |               |                  |                   | 432 Hours           |
| Tuition   |               |                  | \$1,404.00        | Due at Registration |
| Student Activity Fee                                  |               |                  | \$10.00           | Due at Registration |
| Technology Fee  |               |                  | \$73.00           | Due at Registration |
| Programmable Logic Controllers                        | 9780826913968 | ATP              | \$220.00          | Approximate         |
| Graduation Set  |               |                  | \$45.00           | Approximate         |
| <b>Total</b>  |               |                  | <b>\$1,752.00</b> |                     |
| <b>Total Estimated Program Cost (Morristown Days)</b> |               |                  |                   | <b>\$8,038.00</b>   |
